# ABOUT

*Grace Garden* is a peaceful senior living community located in the scenic hills of Wayanad, designed for those who wish to live a relaxed, worry-free, and dignified life surrounded by nature, care, and like-minded people.

A vertical photograph of a lush, green mountain landscape. In the foreground, there is a dense forest of vibrant green trees. A narrow, light-colored path or waterfall runs vertically down the center of the image, disappearing into the foliage. The upper portion of the image is dominated by thick, white mist or smoke that billows across the top of the mountain, partially obscuring the sky. The overall atmosphere is serene and natural.

Our model is simple and transparent. You pay a refundable deposit, a monthly service charge and an additional fee for an extra person. This covers your rent, food, nursing, and housekeeping. Electricity will be charged on actuals. The deposit is refundable to you or your nominee.
